FADE IN:

INT. BRUNEI - SULTAN'S PALACE - FOYER - NIGHT

[Coughing]

From the floor looking up, the high ceiling is beautiful with elaborately crafted gold crown molding.

[Coughing continues along with indistinct talking and music in the background]

Our view slowly pans from the ceiling down to the multi-toned marble floors where blood comes out in a mist at each cough.

TRENT CUMMINGS, ruggedly handsome Caucasian man in his thirties, on hands and knees spits blood onto the floor.

Three armed guards in black tailored suits stand around Trent with guns in hand while, SULTAN ABDUL, tall man in his sixties with a British sounding accent stands a few feet back in his royal robe and garments smoking a cigar and looking through a wallet. He pulls out a photo.

ZOOM IN to photo of a pretty woman and little girl.

[Indistinct talking becomes clear]

SULTAN ABDUL
So this is her? She's very pretty.

Trent spits again, catching his breathe.

TRENT CUMMINGS
She has nothing to do with this.

SULTAN ABDUL
I have to disagree, my American friend.

TRENT CUMMINGS
If this is how you treat your friends. I'd hate to get on your bad side. I mean, I'm bleeding. And-

SULTAN ABDUL
Such a beautiful family... But I wonder if they know you like to take shits in other people's backyards.

TRENT CUMMINGS
Come on Sultan, that's not fair, is it? I just played the hand I was dealt. Like literally, the cards don't lie my royalness. They just don't.

SULTAN ABDUL
But self entitled pretty boys do.

TRENT CUMMINGS
I'm flattered you think I'm pretty Sultan. I really am, but you have the rest all wrong.

SULTAN ABDUL
Do I?

TRENT CUMMINGS
You do. Respectfully of course.

SULTAN ABDUL
So you didn't also free 6 girls from the west wing?

TRENT CUMMINGS
I mean, I did, but... You didn't need them. Trust me, they were holding you back.

There's a beat.

SULTAN ABDUL
They were holding me back?

TRENT CUMMINGS
Uh... Yeah. I'd say so.

Sultan smiles.

SULTAN ABDUL
You're funny Mr...

TRENT CUMMINGS
Trent. Trent Cummings.

SULTAN ABDUL
(nods)
Well Mr. Trent Cummings, I wonder how funny it would be if I kill you right now, and then send a few men to go get your girls. Bring them here to work
(MORE)

SULTAN ABDUL (CONT'D)
off your debt?

Neither are smiling.

TRENT CUMMINGS
Look Sultan, your issue is with me. Let it die with me.
(beat)
Please.

There's a beat of silence.

SULTAN ABDUL
I don't think so. Money talks Mr. Trent.
(motions to his guards)
Do it.

TRENT CUMMINGS
(holds hands out)
Wait, wait, wait! I can fix this. I can get you money!

Guards begin pointing their weapons as Trent desperately blurts out.

TRENT CUMMINGS (CONT'D)
1964 Ferrari 330 GTO!

Sultan quickly holds his hand up stopping his guards.

SULTAN ABDUL
What did you say?

TRENT CUMMINGS
You're a car collector. I know this. It's said there were only 3 64 Ferrari 330 GTO's made, right. 2 aren't for sale. But--

SULTAN ABDUL
The third was destroyed by the manufacturer.

TRENT CUMMINGS
(shakes head)
No. That's what people think. But I know the family who owned it. I can get it, put it in a shipping container and bring it to you. Gotta be worth
(MORE)

TRENT CUMMINGS (CONT'D)
$50 million easy.

SULTAN ABDUL
Interesting... If it's true. Where is it?

TRENT CUMMINGS
That's the tricky part but I'm sure I can--

SULTAN ABDUL
Where!?

TRENT CUMMINGS
Buried underground in a cemetery in Texas.

DISSOLVE TO:

EXT. TRENT'S HOUSE - HOUSTON TX - FRONT YARD - DAY

On an upscale residential street lined with refurbished modern homes, Trent and his daughter DELILAH, a pretty 8-year-old girl are dressed in everyday clothes but loosely practicing martial arts defense within his small, fenced yard.

Delilah blocks Trent's playful attacks and strikes back.

Looking past Delilah, Trent notices a silver BMW pulling up to the curb.

TRENT CUMMINGS
Looks like your mommy's here.

While distracted Delilah punches him in the chest and laughs.

DELILAH
Protect yourself at all times right?

TRENT CUMMINGS
Using my words against me huh?

He throws a punch but she blocks it.

TRENT CUMMINGS (CONT'D)
Run inside and get your bag beautiful.

DELILAH
Okay daddy.

[Car door closes]

Delilah jogging to the front door.

DELILAH (CONT'D)
Hey mommy.

KELSEY
Hey baby.

KELSEY, naturally beautiful Hispanic woman in her thirties walks through the gate into the yard.

TRENT CUMMINGS
Hey Kels.

KELSEY
Hey Trent.

Kelsey slows to a stop a few feet away from Trent.

TRENT CUMMINGS
No hug?

She steps forward with a partial smile. They embrace.

TRENT CUMMINGS (CONT'D)
You smell good.

She pushes him off, trying not to laugh.

KELSEY
So martial arts in the front yard again huh?

TRENT CUMMINGS
Yea, what's wrong with that?

KELSEY
You know she's a girl right?

TRENT CUMMINGS
A girl who won't take shit off any boy. Right?

KELSEY
Okay, true.

TRENT CUMMINGS
We used to have some pretty good workout sessions if I

TRENT CUMMINGS (CONT'D)
remember correctly.

There's a beat.

Delilah comes running out of the house with her bag. She hugs Kelsey and continues to hold on.

KELSEY
You ready baby?

DELILAH
(looking up)
Yep. Me and Daddy had fun.

KELSEY
Good. I'm glad. Why don't you give your daddy a hug and hop in the car. Dinners waiting at home.

Delilah lets go of Kelsey and hugs Trent tightly. After a moment she takes one arm from around him and extends it to Kelsey behind her. Trent and Kelsey lock eyes. Kelsey takes a deep breathe and takes Delilah's hand, coming in close to join the hug.

DELILAH
I miss this.

There's a beat.

KELSEY
Me too baby.

ZOOM IN to Kelsey's glassy eyes.

Kelsey pulls away.

KELSEY (CONT'D)
Okay baby. Lets get going.

DELILAH
Okay mommy. Love you daddy.

TRENT CUMMINGS
Love you too beautiful.

KELSEY
Bye Trent.

TRENT CUMMINGS
Have a good night Kels.

Delilah hops in the car as Kelsey walks around to get in as well.

KELSEY
Don't forget it's your turn to pick up Delilah from school this week.

Trent looks surprised but tries to play it off.

TRENT CUMMINGS
Yea, of course. I got it. No worries. 4pm, I go it.

KELSEY
3pm.

TRENT CUMMINGS
3pm, got it.

Kelsey pauses, then gets in the car.

The passenger side window comes down. Trent walks up and leans in, looking at Kelsey.

KELSEY
Timing is important Trent.

TRENT CUMMINGS
Kels I--

KELSEY
Eventually it'll run out.
(beat)
You should probably think about that.

She turns away from Trent, now looking forward. Trent slowly backs up from the car.

Watching from the rear view mirror Trent waves as she drives off.

FLASHBACK TO:

INT. BRUNEI - SULTAN'S PALACE - FOYER - NIGHT

The Sultan stands silently along with his 3 armed guards while Trent awaits a response.

[Indistinct talking comes through one of the guards WALKIE TALKIE RADIO]

The Sultan takes notice. The GUARD, who has an accent, looks over to the Sultan, gives a nod and speaks.

GUARD
It's been confirmed.

Sultan makes a peculiar face.

SULTAN ABDUL
You've been a busy bee Mr. Cummings. It's been brought to my attention that you are also the American from the clinic.

TRENT CUMMINGS
(shrugs)
Yea, I went to a clinic. But I'm good now.

Sultan Abdul shakes his head.

SULTAN ABDUL
Creutzfeldt-Jakob Disease.

TRENT CUMMINGS
What's that?

SULTAN ABDUL
You're dying Mr. Trent.

IN SLOW MOTION Trent's jaw drops.

SULTAN ABDUL (CONT'D)
You didn't know it's name and maybe you weren't 100% sure, but you knew... With your symptoms and your don't give a shit attitude. You knew, Mr. Trent.
(beat)
You already knew... your dying.

[YOU'RE DYING echoes loudly]

CUT TO:

INT. HIGH RISE CONDO - ROOFTOP POOL - DAY - (PRESENT)

[Electronic party music is playing loudly]

Surrounding a large infinity pool are modern and lavish cabana set ups where people are hanging out with drinks and music.

Two couples are playing chicken in the pool when one falls off the other's shoulders, causing a huge splash outside the pool, bringing our attention to a roped off area in a corner to itself.

Trent and his close friend, KURT, sophisticated black man in his thirties, hang out in the roped off private cabana.

Trent takes a hit of a joint and passes it to Kurt.

TRENT CUMMINGS
So, yeah. That's the deal.

KURT
Okay. Okay. So to summarize... You just got back from Brunei. You beat the Sulton of Brunei out of a $5 million in a card game where you may or may not have cheated.

TRENT CUMMINGS
I didn't.

KURT
(holds up one finger)
He says you did. Anyway, you freed some enslaved prostitutes, from that same Sulton, causing him, in his eyes, more financial loss. He now wants to kill you and then enslave both your Ex and your 8 year old daughter. But... You made a deal that if you come back here, dig up MY family's Ferrari and give it to him; the Sulton of Brunei... He'll not only let you live and leave your family alone, but he will also let you keep the $5 million you may or may not have cheated him out of in a card game.

There's a beat.

KURT (CONT'D)
Did I get everything?

TRENT CUMMINGS
Almost...

TRENT CUMMINGS (CONT'D)
(short beat)
I also need your help... Digging up your family's Ferrari.

There's a beat. Trent stands there nervously. Kurt shakes his head but then breaks into a smile.

KURT
Shit man, you know I'm in.

Trent hugs him aggressively with excitement.

TRENT CUMMINGS
Thank you man. I need you on this.

KURT
You know I'd never let anything happen to your babies. Of course I'm in. Besides, I can't stand my family and my trust fund is basically gone.

TRENT CUMMINGS
(smiling)
I knew I could count on you.

Trent starts coughing.

KURT
What? That wasn't the sarcastic cough through BS thing, was it?

Smiling, Trent continues coughing.

TRENT CUMMINGS
(coughing)
No, of course not. I appre--
(coughing)
I appreciate you. Really.

Trent takes a rag out of his pocket and coughs into it.

KURT
You good man?

TRENT CUMMINGS
Yeah.
(coughs)
I'm fine, probably just allergies.

ZOOM IN to Trent's balled up rag in his hand with BLOOD on

it. Trent discreetly puts the rag back in his pocket before Kurt notices.

DISSOLVE TO:

INT. TRENT'S HOUSE - LIVING ROOM/KITCHEN - NIGHT

With a plain but open floor plan, modern accents give the place personality and charm.

The stainless-steel refrigerator door opens showing near barren, with a 6 pack of Texas brewed beers sitting in the center of the shelf. Trent grabs it and heads for the living room.

From his sectional sofa, Trent sits back, kicks his feet up on a stool in front and begins drinking his beer. For a beat it's peaceful and quiet.

[Coughing]

ZOOM IN to blood on his hands again.

[Loud knocking]

Startled, Trent nearly drops his beer.

TRENT CUMMINGS
What the...

He quickly looks through the peep hole.

TRENT CUMMINGS (CONT'D)
Fuck.

He backs up for a moment then looks again.

Through the peep hole we see the Sultan and 3 of his guards.

TRENT CUMMINGS (CONT'D)
This can't be--

[Loud knocking continues]

Trent jumps back slightly, shakes his arms out taking a deep breath and opens the door.

TRENT CUMMINGS (CONT'D)
(smiling big)
SULTAN. A house call for little ole me? You shouldn't have.

TRENT CUMMINGS (CONT'D)
(beat)
Don't I have until--

SULTAN ABDUL
Now, Mr. Trent. You have until now.

TRENT CUMMINGS
That's funny because I could've sworn you said--

SULTAN ABDUL
I said NOW!

Trent looks confused and surprised.

TRENT CUMMINGS
I don't understand. We had a deal.

SULTAN ABDUL
The deal's changed. I want the car or the money, right now.

TRENT CUMMINGS
You know that's impossible.

SULTAN ABDUL
I thought you'd say that.

Sultan Abdul looks toward the street at a black stretch limousine and nods. Two armed men get out of the car, then pull Kelsey and Delilah out as well.

Trent's eyes grow large at the sight of Kelsey crying and Delilah looking terrified. He looks at the Sultan.

TRENT CUMMINGS
What the hell are you doing!?

KELSEY
Trent, what's going on? Who are these men?

TRENT CUMMINGS
It's gonna be okay Kelsey. Don't worry. I'm gonna fix this.

DELILAH
Daddy I'm scared.

TRENT CUMMINGS
Don't be scared beautiful.

Sultan holds his hand up to his two guards escorting Kelsey and Delilah.

SULTAN ABDUL
That's far enough.

They stop about 15 feet away from Trent.

SULTAN ABDUL (CONT'D)
Apparently, you need some extra motivation.

Sultan motions to the guard holding Kelsey and he puts his gun to her head.

Trent's eyes grow wide.

TRENT CUMMINGS
Sultan NO!

SULTAN ABDUL
(motions to guard)
Do it.

[Bang] Sounds the gun.

[There's no sound] Kelsey falls to the ground in SLOW MOTION. Delilah follows her to the ground. Trent stands still for just a moment.

Snapping back to full speed, Trent loses it, violently attacking the closest guard, quickly killing him with his own gun, then quickly turns his gun to the remaining guards and Sultan Abdul, killing them all.

Trent looks to Delilah sitting next to Kelsey's lifeless body, crying.

TRENT CUMMINGS
No...
(shakes head)
No...
(tears fall)
NO!!!!!!

CUT TO:

INT. TRENT'S HOUSE - BEDROOM - DAY

Trent sits up in bed quickly.

TRENT CUMMINGS
NO!!!!!!

He's sweating, looking around erratically. He takes a few deep breathes and begins to calm down.

He rolls over to the nightstand on the side of his bed and grabs his phone.

INSERT - TRENT'S PHONE with text: 'ME - Hey Kels, just making sure my phone is working. Text me back'

Trent waits but doesn't take his eyes off the phone screen.

After a beat. His phone CHIMES.

INSERT - TRENT'S PHONE with text: 'KELS - Get a new phone Trent. Don't be cheap!

Trent smiles.

TRENT CUMMINGS (CONT'D)
I gotta lay off the late-night eating.

His phone CHIMES again.

INSERT - TRENT'S PHONE with text: 'KELS - And don't forget about Delilah. 3pm.

Trent smirks, shakes his head and tosses the phone to the side.
